

WHI Follow-Up Dataset

CaD Medication Adherence

Data File: adh_cad_pub **File Date:** 07/20/2007 **Structure:** Multiple rows per participant **Population:** CaD participants

Participant ID

Variable #	1	Usage Notes:	none
Sas Name:	ID	Categories:	Study: Administration
Sas Label:	Participant ID		
Type:	Continuous		

Visit type for CaD adherence period

Variable #	2	Usage Notes:	none
Sas Name:	ADHVTYP	Categories:	Study Interventions: CaD Intervention/Management
Sas Label:	Visit type for CaD adherence period		
Type:	Categorical		

Values

3	Annual Visit
---	--------------

Visit year for CaD adherence period

Variable #	3	Usage Notes:	none
Sas Name:	ADHVVY	Categories:	Study Interventions: CaD Intervention/Management
Sas Label:	Visit year for CaD adherence period		
Type:	Continuous		

Days from CT rand to CaD adherence period start

Days from original CT randomization to start of CaD adherence period.

Variable #	4	Usage Notes:	none
Sas Name:	STARTDY	Categories:	Study Interventions: CaD Intervention/Management
Sas Label:	Days from CT randomization to start of CaD adherence period		
Type:	Continuous		

Days from CaD rand to CaD adherence period start

Days from CaD randomization to start of CaD adherence period.

Variable #	5	Usage Notes:	none
Sas Name:	STCADDY	Categories:	Study Interventions: CaD Intervention/Management
Sas Label:	Days from CaD randomization to start of CaD adherence period		
Type:	Continuous		

Days from CT rand to CaD adherence period end

Days from original CT randomization to end of CaD adherence period.

Variable #	6	Usage Notes:	none
Sas Name:	ENDDY	Categories:	Study Interventions: CaD Intervention/Management
Sas Label:	Days from CT randomization to end of CaD adherence period		
Type:	Continuous		

**CaD Medication Adherence****Data File:** adh_cad_pub**File Date:** 07/20/2007**Structure:** Multiple rows per participant**Population:** CaD participants

Days from CaD rand to CaD adherence period end

Days from CaD randomization to end of CaD adherence period.

Variable # 7**Usage Notes:** none**Sas Name:** ENDCADDY**Categories:** Study Interventions: CaD Intervention/Management**Sas Label:** Days from CaD randomization to end of CaD adherence period**Type:** Continuous

CaD medication adherence rate for the period**Variable #** 8**Usage Notes:** none**Sas Name:** ADHRATE**Categories:** Study Interventions: CaD Intervention/Management**Sas Label:** CaD medication adherence rate for the period**Type:** Continuous

Was adherence collection performed during period

Were CaD pill bottles collected to allow adherence determination for period? If not, no adherence rate can be calculated.

Variable # 9**Usage Notes:** none**Sas Name:** COLLECT**Categories:** Study Interventions: CaD Intervention/Management**Sas Label:** Was adherence collection performed during period**Type:** Categorical**Values**

0 No

1 Yes

Participant inactive in intervention during period

Was the participant inactive in the CaD intervention (i.e. not taking study pills) for all or part of the period.

Variable # 10**Usage Notes:** none**Sas Name:** STOPCAD**Categories:** Study Interventions: CaD Intervention/Management**Sas Label:** Participant inactive in CaD intervention during period**Type:** Categorical**Values**

0 No

1 Yes

Participant resumed CaD intervention during period

Did the participant resume CaD intervention (start taking study pills) during this period after having stopped?

Variable # 11**Usage Notes:** none**Sas Name:** RESUMECAD**Categories:** Study Interventions: CaD Intervention/Management**Sas Label:** Participant resumed CaD intervention during period**Type:** Categorical**Values**

0 No

1 Yes

Participant lost-to-follow-up during period

Did the participant have a status of lost-to-follow-up during all or part of this CaD adherence period?

Variable #	12	Usage Notes:	none
Sas Name:	LOST		
Sas Label:	Participant lost-to-follow-up during period		
Type:	Categorical		
Values			
0	No		
1	Yes		

Participant deceased during period

Did the participant have a status of deceased during all or part of this CaD adherence period?

Variable #	13	Usage Notes:	none
Sas Name:	DEAD		
Sas Label:	Participant deceased during period		
Type:	Categorical		
Values			
0	No		
1	Yes
